## Travel Information

### Welcome in Kulmbach

The cosy town of Kulmbach, located in the impressive landscape of Northern Franconia at the confluence of the Red and White Main Rivers and at the foot of the mountain-chain called the Franconian Forest, offers excellent recreation facilities to its guests. The city of Kulmbach and the surrounding villages with the many historic buildings and places form another attraction apart from the spectacular landscape.

The Plassenburg-Castle – Kulmbach’s landmark – is one of the most impressive castles in Germany. Various music-festivals and theatre-performances are arranged each year to present cultural highlights at the highest stage in an overwhelming ambience.

Besides historic treasures of medieval times the city of Kulmbach manifested itself in modern times as "silent capital of beer". In this way Kulmbach offers an exciting and broad arrangement of facilities stamped by the traditional and modern spirit. Numerous sights, events and activities present a rich cultural programme throughout the year making your stay in Kulmbach a unique experience.

We are looking forward to welcome you in Kulmbach experiencing Northern Franconia!
